

**Mid-Semester Evaluation**  
**Introductory Biobehavioral Statistics (PSY 204)**

**Instructions:** Please rate the degree to which you agree or disagree with the following statements on a scale of 1 (*strongly disagree*) to 5 (*strongly agree*). The results of this survey are completely confidential and anonymous. Do not put your name or any other identifying information on this form. Thank you for your honest feedback!

**Content and Delivery of Lectures**

	Strongly Disagree	Neither		Strongly Agree
A. The material covered in lectures is interesting.	1	2	3	4 <input checked="" type="radio"/>
B. The lecture material matches the stated goals for this course.	1	2	3	4 <input checked="" type="radio"/>
C. The instructor presents material in an engaging way.	1	2	3	4 <input checked="" type="radio"/>
D. I am sometimes confused during the lectures.	1 <input checked="" type="radio"/>	2	3	4
E. The instructor covers an appropriate/do-able amount of information in each lecture.	1	2	3	4 <input checked="" type="radio"/>

F. Additional comments on class material and lecture style:

Material of the course can be tedious for some but you present the material in a way that is easier to understand with comedic relief so as to not put us to sleep!

**Exams**

	Strongly Disagree	Neither		Strongly Agree
A. The reviews are helpful.	1	2	3	4 <input checked="" type="radio"/>
B. Exams are too hard.	1 <input checked="" type="radio"/>	2	3	4

C. Exams are too easy.

1  2 3 4 5

D. Exams should be structured differently.

1  2 3 4 5

E. Additional comments on exams/suggestions to make the reviews more helpful:

I like the way the exams are structured because they mirror the structure of the quizzes.

**Miscellaneous**

	Strongly Disagree	Neither		Strongly Agree
A. The instructor is approachable.	1	2	3	4 <input checked="" type="radio"/>
B. The instructor is accessible.	1	2	3	4 <input checked="" type="radio"/>
C. I would recommend this course to a friend.	1	2	3	4 <input checked="" type="radio"/>
D. Please use the space below to comment on elements of the course that you would like to change, and elements you would like to stay the same:				

Keep it the same!
